

VEROTIPRE FACT SHEET

VEROTIPRE SKIN DEFENSE BODY CLEANSER

Product Overview

Breakouts don't just happen on your face. That's why this clarifying body cleanser is designed to fight acne where it matters most—on the chest, back, and shoulders. Formulated with maximum-strength 10% benzoyl peroxide, it penetrates deep into pores to eliminate acne-causing bacteria and remove excess oil and debris. Despite its strength, the formula is non-drying, helping maintain your skin's natural balance while leaving it clean, clear, and refreshed.

Product Benefits

- Fights acne on the chest, back, and shoulders.
- Helps unclog pores and eliminate acne-causing bacteria.
- Deeply cleanses without stripping or over-drying.
- Supports a clearer, more balanced complexion.
- Ideal for acne-prone and oily skin types.
- Refreshes skin and prevents future breakouts.

Product Details

This body cleanser is specially formulated to treat body acne without the harsh side effects often associated with high-strength benzoyl peroxide. Its antibacterial properties help reduce active breakouts and prevent new blemishes from forming, while its gentle, pH-balanced base ensures that the skin remains hydrated and comfortable. Suitable for daily use as part of an acne-targeted body care routine.

Directions/Usage

Take a suitable amount of body cleanser, lather it, and apply it to your damp body. Leave on for 1–2 minutes before rinsing thoroughly. Use daily for refreshed, clean skin.

Key Ingredients

Benzoyl peroxide 10%
